The Rotary Clubs of District 7280 will host their Rotary Youth Leadership Awards Conference from June 7– 12, 2020, at Westminster College.

Eligible candidates include any young man or woman, regardless of race, creed, or color, who will be a high school senior in September and has demonstrated leadership potential in school, church, or community service. They also should have a desire to develop his or her leadership potential and will contribute to making the conference a meaningful experience for others.

The conference features 5 ½ days of activities that include lectures and discussions of leadership skills, youth-related concerns, public issues, community service, career guidance, and recreational activities.

More information is available by contacting your local Rotary club.
